8. Each participant is required to identify each project animal with a stall card, which will be provided. Youth are encouraged to make an informational poster to display in stall area. This poster should pertain to the project animal and should contain information about the animal's breed, uses, care, feeding etc. This poster is a great opportunity to educate the public.

9. Animals and projects to be exhibited must be on the Show and Sale premises by the time set for check-in and remain until the scheduled removal time. Any exhibitor who removes an animal before the designated time will forfeit all awards and may be disqualified from showing in future shows.

10. All animals are not to be unloaded until approved by Veterinary inspection. All animals must be free of contagious or infectious diseases or conditions in order to show or sell. Poultry will be inspected prior to unloading and are required to have a negative Pullorum-typhoid test certificate.

11. If a project animal should die, the exhibitor has 15 days to replace it. Written notice must be given to the ACFB within 48 hours of the death. Project animals cannot be replaced after July 1.

Exhibitors are responsible for feeding, watering and cleaning up after their animals while the animals are on the show grounds. (Hoses will be on site for watering, but any muck tubs, pitchforks, hay, feed, feed pans and water tubs required must be provided by exhibitor). A manure disposal area will be designated for the fair animals. All exhibitors are expected to clean-up their animal's pens/cages on Saturday night after load-out.

13. The ACFB reserves the right to disqualify individuals and exhibitors from show classes or the entire show for violations of the rules. Good sportsmanship must be practiced. Any discourtesy to other youth, Judge, Show Official or ACFB member by an exhibitor or parent may cause an exhibitor to forfeit all awards, disqualify an exhibitor from showing in future shows, and may result in removal from the Fair premises.

14. Exhibitors are required to dress properly for the Show and Sale. For safety reasons, closed toe and closed heel shoes/boots are MANDATORY on the Show and Sale premises (no flip flops, Crocs or clogs). Youth must wear khakis or blue jeans and a collared shirt during the show and sale.
